Out of concern for the well-being and safety of the children and families we serve, Heart House Dallas performs criminal background checks on adult volunteers. Heart House Dallas deems it necessary and advisable as a matter of policy to reserve the right to disqualify and prohibit a person from serving as a volunteer, including one who has been arrested for, convicted of, been on probation for or received deferred adjudication for any criminal conduct.

The right to disqualify applies itself to any criminal conduct regardless of whether (a) the criminal charges were subsequently dropped and the applicant was never prosecuted for the crime charged, (b) the criminal charges resulted in a non-conviction such as probation or (c) the criminal conviction was subsequently expunged from the applicant's record as a result of appropriate legal proceedings.

CONSENT FOR CRIMINAL BACKGROUND CHECK AUTHORIZATION/WAIVER/INDEMNITY

I hereby give my permission to HEART HOUSE DALLAS to obtain information relating to my criminal history record through Affordable Searches, Inc and/or other state, federal and national agencies that maintain such information. The criminal history record, as received from the reporting agency, may include arrest and conviction data as well as plea bargains and deferred adjudications and delinquent conduct committed as a juvenile. It draws from multiple criminal record sources in a total of 50 states and the District of Columbia. It includes criminal data from criminal courts; state criminal record repositories, probation, prison parole and release files, registries and other government agencies, as well as additional criminal history data proprietary to The National Background Directory. In addition, this report checks the sexual offender databases in all 50 states and the District of Columbia, as well as searching terrorist databases. In addition to the criminal data from NBD, information will be obtained on the volunteer's previous residence addresses, whether a Social Security number has been issued, maiden and/or married names associated with the SSN and whether the volunteer's SSN is currently being used by other individuals.

I understand that this information will be used, in part, to determine my eligibility for an employment/volunteer position with this organization. I also understand that as long as I remain an employee or volunteer here, the criminal history records check may be repeated at any time. I understand that I will have an opportunity to review the criminal history as received by HEART HOUSE DALLAS and a procedure is available for clarification, if I dispute the record as received. I also understand that the criminal history could contain information presumed to be expunged.

I, the undersigned, do for myself, my heirs, executors and administrators, hereby remise, release and forever discharge and agree to indemnify HEART HOUSE DALLAS and each of their officers, directors, employees and agents and hold them harmless from and against any and all causes of actions, suits, liabilities, costs, debts and sums of money, claims and demands whatsoever (including claims for negligence, gross negligence and/or strict liability of HEART HOUSE DALLAS) and any and all related attorney's fees, court costs and other expenses resulting from the investigation of my background in connection with my application to become a staff member or volunteer.

All information shall remain confidential between Applicant and HEART HOUSE DALLAS.
